President's Report

I submit my report for the financial year ending June 2021. In these unprecedented times, your Club has been deeply impacted, just like all businesses around Australia and the world, faced with another Government closure on June 26th 2021.

Fortunately, we were allowed to open the Club again on October 11th 2021, in a limited capacity. It was great to see all our members back enjoying their Club again, all be it in a Covid safe environment. Your Club went above the Covid safe requirements deploying extra staff as cleaners and Covid Marshals and doing temperature checks on arrival, face masks, social distancing, and hygiene management. This all contributed to your Club being regarded as a very safe Club to visit.

Thanks to the efforts of the Board, Management, Staff and the support of you, the members the Club is pleased to announce an operating profit of \$548,066.

On this note would like to thank the Club's C.E.O, Mr Mark Gavelin, his management team and staff for all their hard work, ongoing dedication and commitment and forgoing the extra mile to keep our Club operating successfully in these challenging times to achieve this result.

The Board made some hard but necessary decisions to ensure your Club remains in a strong position. I want to thank Mr Richard Pritchard (Taffy) and the Sub Branch committee for your continued support over the last 12 months.

I want to thank former Directors Kathy Dawson and Robert Neesam for their years of service to Canley Heights R.S.L and Sporting Club. On behalf of all of us on the Board, we wish Kathy and Rob all the very best, and I would like to welcome Kevin Todd and Ian Davidson to the Board of Directors.

I offer my condolences to all those who have lost someone close to you. To those who are unwell, I wish you a speedy recovery.

Finally, I thank you, our loyal Members, for supporting and enjoying your Club throughout this past challenging year and look forward to seeing you all enjoying your Club in 2022 and the years to come.

Again, to my Board Colleagues, thank you for your guidance and support throughout the year. I am looking forward to a safer year ahead.

All the very best,

Ennio Facchetti
President

CEO's Report

Dear Members,

I wish to present the 6-month Annual Financial Report of the CHRSL & Sporting Club for the year ending June 2021.

On reflection, 2021 has seen perhaps the most significant change in our lifetime. Naturally, all of the restrictions and closures have had a tremendous impact on the Club's operation and an even greater impact on our Staff, Members and the wider community. It was a mixture of relief to have the year almost over and nervous anticipation for what the year ahead will bring. The last six months was the hardest, strangest and most challenging year of my working life. Our Club was shut for 106 days after the NSW health mandated government-ordered closures.

I write this report after coming back from a second lockdown that lasted 106 days, never the less this report reflects the first six months of 2021 with our shortened financial year. Unknowingly the next six months of 2021 would be the most challenging thus far for us all, as we had to close our Club again on the 26th of June 2021. NSW Government ordered a further lockdown to deal with the fast-spreading outbreak of covid 19 "delta variant", and the length of this lockdown was unknown and unclear.

Little did we know that we would be shut down for a lengthy period which required your Board of Directors and Management team to be in regular communication after the Clubs shutdown period. The closure of our Club was a very dark period for all. Upon reopening, numbers, spacing, restrictions and events all had to be addressed and ready for change at a moment's notice. I remain in absolute awe at the way all staff embraced their jobs that had to be done with such professionalism and positiveness. However, we are all united again by a common culture of discipline, integrity, respect, reliability and teamwork, which makes us unbeatable in the face of events like this, in the face of adversity.

On the back of 2020, the continued uncertainty has brought our team together and stronger as the rules and regulations continued to change and ease, as we modified our operating procedures and rewrote our COVID safety plans on numerous occasions.

I'm very proud and honoured to continue leading my management team, Gilbert, Andrew, Michelle, Ivy, Barbara, Michael, Rhonda and James, who hold the front end of the Club to the highest standards. I thank you for your support and dedication to the Club. Thank you for what was a challenging six months to June 2021.

The Board of Directors, Gilbert (CFO), and my team have counted to pay down debt and maintain our venue for its members and the community despite all the challenges of the past six months. As a result, I am very pleased to report another successful profit of \$548,066, especially under challenging circumstances for the six-month year-end.

On that note, I would like to thank our Board of Directors – lead by President Mr Ennio Facchetti, for their ongoing support, decisive leadership, trust and dedication. Thank you for trusting us to drive our Club through this pandemic. Your continued belief and support is appreciated.

On a sad note, we farewelled two of our directors in, Kathryn Dawson and Robert Neesam. I'd personally like to thank them for their support and friendship since I commenced at the Club and wish them the very best for the future and thank them for their contribution to our Club.

In addition, I also want to congratulate Kevin Todd and Ian Davidson on their appointment to the position of Director.

I would like to acknowledge and thank all our loyal staff, we all recognise what has been a challenging part of the year, both mentally and physically and you have all continued to unite together. I wish to farewell Skye-Lea Gordon & several long-term staff who left throughout the year, and wish them all the best in their future endeavours.

To our valued members who were there to support and visit our Club through this pandemic, we thank you for your understanding in following the government's rules and guidelines. Our community has displayed remarkable resilience and strength throughout these challenging times. Thank you for playing an integral part in the reopening of our Club.

CEO's Report (continued)

We will continue to monitor and provide the necessary resources and maintain the maximum protection possible to our community and their families. Clubs are nothing without their members. Best wishes and good health for the year ahead.

We are now focusing and looking forward to introducing some new activities to our weekly schedule.

I want to thank you all again and look forward to a strong and healthy 2022 as we enter the festive season, let's have a happy and safe summer ahead.

Thank you, stay Safe

Chief Financial Officer's Report

Dear Members,

Greetings and it is with pleasure for me to provide my report for the financial year ended 30 June 2021. It has only been a little over 6 months since we had our last AGM presenting the 2020 annual report. Changing our Club's financial year to a Tax year end of 30 June 2021 resulted with the Club reporting a six (6) month Annual financial report. I am happy to announce that we have recorded a Net profit of \$548,066 for the 2021 year.

In 2020, we all had experienced and reflected on the effects of the Bushfires and Covid-19 pandemic. And just as we thought that we could continue on with our lives, news of the new Covid-19 Delta variant emerged in the early parts of 2021 which eventually saw a second phase of an extended lockdown in NSW and across the entire country via a mandated health order issued by the NSW government. After 106 days of lockdown which started from 26 June 2021, our Club was closed for business for the entire period. And it is again with my warmest sympathy and condolences to everyone who experienced the loss of their loved ones. Despite the adversity and hardship seen across the country, I applaud with a great sense of humility, respect and warmth to all the Front-liners (past and present) who braved this pandemic (and all previous disasters) and we all thank you for your services.

Despite the Health Orders being implemented and thanks to technology, the Board of Directors, with Mark (CEO) and the management team was still able to be kept in touch and informed thru Board Meetings and manager meetings held to discuss ongoing Club matters.

With the opening of business resuming on the 11th October 2021, adoption of strict restrictions was issued by the Health Order which saw our Club meeting all the requirements which we took very seriously. We continue to see positive improvements in the easing of restrictions as the state's vaccination rate meets its expected target percentage (95%). Memberships saw an increase and we are still seeing it going in an upward trend. This position provides a good indication and overview that the general public's confidence levels to get back to normality is positive and evident.

Due to the change in our reporting period which only saw a period of six (6) months of operations this year, I will not be providing comparable figures between the two periods. It is however important for me to inform members of how the Club has performed during the period.

Total Revenue from ordinary activities for the financial year 2021 was \$7,377,574. The Gaming department derives approximately 82.28% of the revenues reported. Cost of sales and direct expenses was reasonable during the year. The gaming activities expenses of \$1,839,114, which includes poker machine taxes of \$1,389,357. Employment cost of \$2,192,231 includes the employer superannuation contribution guarantee and other related expenses. Depreciation of \$589,389 is reasonable and net loss on disposal of asset amounted \$182,939. We have also recently had the Solar system installed by Origin. The system should be operational in the coming days and we hope to see some positive outcomes for both the environment and the Club's power bills reducing. We are also reducing our loan facilities progressively and consistently.

At the end of August 2021, our Club provided \$219,808 in Club Grants which comprises \$94,178 for Category A and \$125,630 for category B. Further information and details of Club Grants is provided by the PA report in this booklet.

Our Cash Flow at the end of period was \$4,741,025, providing an additional \$175,756 during the year. Operating activities provided net cash funds of \$745,116. We were also reducing our loans and hire purchases during the period totaling \$291,553. Capital purchases of \$554,527 includes the Right of Use (ROU) asset. The ROU liability of \$241,860 was also applied in the period. It is important as a business to see positive and increased generation of funds in the Cash Flow. With continuous positive cash flow generation and a strong balance sheet, our Club will be able to deliver positive progress and outcomes for the members.

Net Assets increased by \$512,050 during the financial year resulting from the Club's operations and Deferred Tax Adjustments. I am pleased to announce that our Banking Loan facility is currently being serviced by National Australia Bank (NAB) on a long term facility. This new facility will strengthen our position and I want to take this opportunity to thank our NAB manager and his team for their support and services provided.

This also saw the equity increased by \$512,050 to \$16,282,858 as compared to \$15,770,808 from the previous year. As a measure of financial performance, the return on equity for the year ended 30 June 2021 is 3.37%.

In my professional opinion, I would like to express my increased level of confidence on the Club's Balance Sheet as at 30 June 2021, seeing positive and good improvements in both our current and non-current assets over its liabilities for the last three years.

Chief Financial Officer's Report (continued)

Despite having to undergo business interruptions from the Covid-19 pandemic restrictions, such as, social distancing, food and beverage consumption and others, the Board of Directors, Mark, the management team and staff managed to overcome the challenges ahead and push forward for our Club to be opened for members to visit and enjoy the venue in a comfortable, proactive and effective manner.

I would like to take this opportunity to thank the Board of Directors (including previous Directors who have stepped down from their duties in 2021), Mark Gavinel and the Management team for their on-going and continued support during the year. To all our dedicated staff, thank you for the hard work, dedication, support and assistance that you have provided consistently.

Lastly, I would like to thank our loyal and valued Members for their continuous support and faith in our business operations. Your continuous patronage and faith in us is appreciated.

Stay safe and well always.

Yours faithfully,

Michelle was called up and presented with a certificate of appreciation. The Sub-branch also want to acknowledge the club President Ennio Facchetti for all his support. R. Pritchard#3 said it is the first time Non-RSL people have received Certificates of Appreciation from the RSL National Office.

Thankyou for your attendance.

Please note that because of the Covid 19 Pandemic the ASIC announced that any company with a financial year ending up to 7 July 2021 (which includes the Club) is able to hold its AGM at any time up until 31 January 2022 instead of the usual requirement to hold it within 5 months of the end of the financial year that is on or before 30 November 2021.

Notes to Members on Third Special Resolution

1. The Third Special Resolution proposes to insert a new provision into the Club's Constitution which provides the Club's Chief Executive Officer (CEO) with the power to suspend the membership of any person who has engaged in unacceptable conduct (that is, conduct that is unbecoming of a member or prejudicial to the interests of the Club) for a period of up to twelve (12) months. However, any member disciplined by the CEO may appeal the CEO's decision to the Board.
2. At present, if a person engages in unacceptable conduct, then:
 - (a) a notice of disciplinary charge and hearing is issued to the member; and
 - (b) the disciplinary matter is heard by the Board;
 - (c) if the person is found guilty, the Board may impose a penalty (including reprimand, suspension, or expulsion).
3. The Board believes the above procedure is time-consuming and cumbersome and unnecessarily distracts the Board from its strategic orientation. The Board also believes that the vast majority of members who are disciplined by the Club accept that a penalty must be imposed and would prefer a simpler process. Accordingly, the Board recommends the CEO be provided with greater disciplinary powers.
4. The Third Special Resolution proposes to provide the CEO (or, in the CEO's absence, the CEO's delegate) with the power to suspend the membership rights of any person (who has engaged in unacceptable conduct) for a period of up to twelve (12) months.
5. If the CEO exercises the power, then the Club must notify the member that:
 - (a) their membership has been suspended and the relevant details of the suspension; and
 - (b) the member may request the matter be dealt with by the Board (in the manner set out in paragraph number 2 above).
6. If a member elects to have the matter dealt with by the Board, then the decision of the Board shall be in substitution of and to the exclusion of the penalty imposed by the CEO.
7. The Board believes the above procedure provides the Club with greater flexibility (in respect of disciplining members who have engaged in unacceptable conduct) whilst also providing any member (who considers any penalty imposed by the CEO to be unreasonable) to have their matter determined by the Board.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30TH JUNE 2021

Note 1: Statement of significant accounting policies

The financial statements are a general purpose financial report and have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements, other authoritative pronouncements of the Australian Accounting Standards Board, Australian Accounting Interpretations and the Corporations Act 2001.

In preparing the financial report the company has taken the exemptions available to non-profit entity.

The Financial statements of the Canley Heights RSL & Sporting Club comply with Australian Accounting Standards – Reduced Disclosure Requirements as issued by the Australian Accounting Standards Board (AASB)

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Reporting basis and conventions

The financial statements have been prepared on an accruals basis and based on historical cost, modified, where applicable, by measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Inventories

Inventories are valued at the lower of the cost or net realisable value.

Property, plant and equipment

Each class of property plant and equipment is carried at cost or fair value less, where applicable any accumulated depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal.

The cost of fixed assets constructed within the economic entity includes the cost of material, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the assets carrying amount or recognised as a separate asset, as appropriate, only when it is possible that the future economic benefits associated with the item will flow to the economic entity and the costs of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Depreciation

The depreciation amount of all fixed assets including building and capitalised lease assets, but excluding freehold land and Gaming machines, is depreciated on straight line basis over their useful lives to the economic entity commencing from the time the asset is held ready for use. The depreciation rates used for each class of depreciable assets are:

Class of fixed asset	Depreciation rate
Buildings	2.50%
Plant and Equipment	5-33.33%
Gaming room equipment	10-33.33%

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

Canley Heights RSL & Sporting Club Limited

(A Company Limited by Guarantee ABN 44 001 783 124)

As asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement.

Leases

The Club assesses at the start of a contract whether or not the contract contains or is a lease. If there is a lease present, a right-of-use asset and a corresponding lease liability is recognised by the company where the company is a lessee. However, all contracts that are classified as short-term leases (lease with remaining lease term of 12 months or less) and leases of low-value assets are recognised as an operating expense on a straight-line basis over the term of the lease.

Initially, the lease liability is measured at the present value of the lease payments still to be paid at the commencement date. The lease payments are discounted at the interest rate implicit in the lease. If this rate cannot be readily determined, the company uses the incremental borrowing rate.

Lease payments included in the measurement of the lease liability are as follows:

- fixed lease payments less any lease incentives
- variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date
- the amount expected to be payable by the lessee under residual value guarantees
- the exercise price of purchase options, if the lessee is reasonably certain to exercise the options
- lease payments under extension options if lessee is reasonably certain to exercise the options; and
- payment of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The right-of-use assets comprise the initial measurement of the corresponding lease liability as mentioned above, any lease payments made at or before the commencement date as well as any initial direct costs. The subsequent measurement of the right-of-use assets is at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the lease term or useful life of the underlying asset whichever is the shortest. Where a lease transfers ownership of the underlying asset or the cost of the right-of-use asset reflects that the company anticipates to exercise a purchase option, the specific asset is depreciated over the useful life of the underlying asset.

Impairment of assets

At each reporting date, the group reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that the higher of the asset's fair value less cost to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Impairment testing is performed annually for goodwill and intangible assets with indefinite lives.

Where it is not possible to estimate the recoverable amount of an individual asset, the economic entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

As a result of uncertainties regarding the valuation of various items of Plant, it is anticipated that impairment might arise in future accounting periods.

Cash and cash equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the balance sheet.

Canley Heights RSL & Sporting Club Limited

(A Company Limited by Guarantee ABN 44 001 783 124)

Income tax

The charge of current income tax expenses is based on the profit for the year adjusted for the year adjusted for any non- assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

Deferred tax is calculated for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no accounting or taxable profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred income tax assets are recognised to the extent that future is based on the assumption that no adverse change will occur in come taxation legislation and the anticipation that the economic entity will derive future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the assets or as part of an item of the expenses. Receivable and payables in the statement of financial position are shown inclusive of GST.

Employee benefits

Provision is made for the company's liability for employee benefit arising from services rendered by employees to balance date. Employee benefits that are expected to be settled with in one year have been measured at the amount expected to be paid when the liability is settled, plus related on-costs.

Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Provisions

Provisions are recognised when the entity has legal or constructive obligation, as result of past events, for which it is probable that an outflow can be reliably measured.

Change of end of reporting period and comparative figures

The proposed changes to the Club's financial year end to 30 June, was due to the following:-

1. Majority of companies have the financial year end to align with their tax obligations, and
2. Board of Directors believe this change is in the best interest of members and will assist all statutory obligations.

Critical accounting estimates and judgements

The directors evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the group.

Events occurring after the reporting date

Due to the Covid-19 Pandemic and the new Delta variant seeing infections spike at record levels, the NSW Government placed a mandatory lockdown from 26 June 2021 to 11 October 2021. Due to this lockdown, our venue was closed for the entire duration which resulted in loss of revenues, standing down of employees and on-going fixed cost which resulted in a reduction of the Club's cash position.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF CANLEY HEIGHTS RSL & SPORTING CLUB LIMITED

ABN 44 001 783 124

Opinion

We have audited the financial report of Canley Heights RSL & Sporting Club Limited, which comprises the Statement of Financial Position as at 30th June, 2021 and the Statements of Comprehensive Income, Statement of Changes to Equity, Statement of Cash Flows for the year ended on that date, a summary of significant accounting policies and other explanatory notes and the Director's Declaration.

In our opinion the accompanying Financial Report for the Company is in accordance with the Corporations Act 2001, including:

- a) Giving a true and fair view of the financial position of the Company as at 30th June, 2021 and of its financial performance for the year ended on that date; and
- b) Complying with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Regulations 2001.

Basis for Opinion

We have conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditors Responsibilities for the Audit of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Report and Auditor's Report Thereon

The directors are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the director's report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, material relating to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Canley Heights RSL & Sporting Club Limited

(A Company Limited by Guarantee ABN 44 001 783 124)

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.

Conclude on the appropriateness of the Director's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that material uncertainty exists, we are required to draw attention to our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial report, including the disclosures and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
